

security interest or lien. For purposes of this paragraph (b), “expansion of the scope of a security interest or lien” does not include the substitution of one asset or group of assets for another, provided the asset values (as reported on your most recent annual Form 468) are comparable.

(c) *Conditions for SBA approval.* As a condition of granting its approval under this section, SBA may impose such restrictions or limitations as it deems appropriate, taking into account your historical performance, current financial position, proposed terms of the secured debt and amount of aggregate debt you will have outstanding (including Leverage). SBA will not favorably consider any requests for approval which include a blanket lien on all your assets, or a security interest in your investor commitments in excess of 125 percent of the proposed borrowing.

(d) *Thirty-day approval.* Unless SBA notifies you otherwise within 30 days after it receives your request, you may consider your request automatically approved if:

- (1) You are in regulatory compliance;
- (2) The security interest in your assets is limited to either those assets being acquired with the borrowed funds or an asset coverage ratio of no more than 2:1;
- (3) Your request is for approval of a secured line of credit that would not cause your total outstanding borrowings (not including Leverage) to exceed 50 percent of your Leverageable Capital.

VOLUNTARY DECREASE IN REGULATORY CAPITAL

§ 108.585 Voluntary decrease in NMVC Company's Regulatory Capital.

You must obtain SBA's prior written approval to reduce your Regulatory Capital by more than two percent in any fiscal year.
